

How many Bytes

(Auf die Melodie von „How many roads“.)

How many roads must a man walk down, before you call him a man?
How many times must PnP fail, before they give up the idea?
How many times must my system crash, before Bill admits his mistake?
The answer my friend is written to /dev/null
The answer is written to /dev/null

How many times must a man look up, before he can see the sky?
How many ears must Bill Gates have, before he can hear my complaints?
How many bugs will need to be found, before 95 is banned?
The answer my friend is written to /dev/null
The answer is written to /dev/null

How many years can a mountain exist, before it is washed to the sea?
How many years can some programs exist, before they are finally free?
How many times can Win NT fail, before users start to use X?
The answer my friend is written to /dev/null
The answer is written to /dev/null
